S i r,

I have the honour to state that the Municipal Council sanctioned the appointment of a temporary stray cattle catching gang in the City consisting of one Head gangman on Rs 15/- + D A 2/- and six gangmen on Rs 9/- each in their resolution No 765 dated 27th April 1944, for the purpose of preventing stray cattle nuisance in the City, and the period of sanction expired on 4th September 1944 This has tended to the abatement of the nuisance to some extent

It is therefore found very necessary to continue the gang, in the interests of Public safety and convenience The Council before whom the subject came up, have sanctioned the Health Committee Resolution No 47 dated 14th September 1944 for the continuance of the gang by a further period of six months from 4-9-1944 at a monthly cost of Rs 105/-

In enclosing herewith a copy of the Resolution No 399 dated 25th November 1944, I request you to be so good as to obtain early sanction of Government thereto The expenditure in this behalf will be met out of the budget provision under 'E2 D Cattle Pounds'

The Keyone adjoined sanctioned the appointment of a temporary gang for catching stray cattle for months from the date of its employment. This gang consists of one headman on Rs 15 + DA 2 and six men on Rs 9/- each. This has considerably abated the stray cattle nuisance in the city & the period of sanction expires on 4th Sept 1944. As the continuance of this temporary gang is found necessary in the interests of the safety of the public, the council has again resolved to continue the services of this gang for a further period of 6 months from 4-9-44 at a cost of Rs 105/- PM. This work cannot be attended to by the Sanitary staff during their daily rounds without prejudice to their work. The work done by this gang was satisfactory and its continuance till the end of June may perhaps be sanctioned

Yr memorandum of 15th ult. refers.

Mr Headman will be responsible for the supervision of the cattle from 1st June 1945 at a charge of 10s 6d per week.

It is not known how the cattle caught in this way are to be dealt with. What amount (if any) is to be collected by way of fine by being impounded in the cattle pounds in the city.

Further, it may not certainly be necessary to maintain this pound throughout the year. It should be considered whether the working staff of the Sanitary Department could not be employed during the cattle nuisance. The temporary establishment being employed (if necessary) during the Easter Bank Holiday & August Race Week every year. This will be limited not to exceed £5 5s 0d.

The Assessment, if approved, will be submitted to the Council.

Sir,

Subject - Temporary Stray Cattle Catching Gang in Mysore City

With reference to your letter No L 6788 dated 9th January 1945, calling for further particulars on the above subject, I have the honour to state as follows -

1 This temporary establishment was sanctioned for a period of only 3 months in the first instance, as per Council Resolution No 765 dated 27th April 1944 (referred to in the previous letter of this office) and it commenced working from 5-6-1944 The cost per mensem works out to Rs.71, exclusive of dearness allowande.

2 This work cannot be attended to by the Sanitary staff during their daily rounds without prejudice to the sanitation of the locality allotted to them and as they are overburdened with multifarious duties

3 Though the gang consists of a small number of men, a definite programme has been laid out, according to which they work in all the Mohallas of the City by rotation on week days

4 A statement showing the work done by this gang, during the period from June 1944 to end of December 1944, is enclosed for perusal.

As the gang is doing very useful work and its continuance was considered essential, the Municipal Council, resolved in their meeting held on 27th April 1945, to continue the establishment by a further period till the end of June 1945, vide Copy of Res No.820 dated 27th April 1945 enclosed herewith

I request therefore that sanction of Government may kindly be accorded to continue the establishment, till the end of June 1945 The expenditure in this behalf will be met out of the provision under E/ Cattle Pounds

Letter No H2 PR 170/44-45 dated 9th October 1945 from the Health Officer, Mysore City Municipality, Mysore, to the President, City Municipal Council, Mysore

---

With reference to your letter No M5 1339/45-46 dated 18-9-1945 forwarding a copy of letter No L 1850 dated 8-9-1945 from the Additional Secretary to Government, regarding the continuance of the cattle catching gang etc , I have the honour to state as follows -

The gang was handed over to this Section since 5-6-1944

Since then the term of this gang was being extended by piecemeal for a period of 3 months or 6 months each time

This gang consists of 1 headgang man on Rs 15/- plus Rs 2/- and 6 gangmen on Rs 9/- each

The municipal Council have in their resolution No 992 dated 30-6-1945 sanctioned the term of this gang for a further period of 6 months from 1-7-1945 on a reduced scale of 1 head gangman maistry on Rs 15/- plus Rs 2/- and 5 gangmen on Rs 9/- each

Further, the continuance of this gang on the old scale (viz , 1 head gangman and 6 gangmen on Rs 15/- plus Rs 2/- and Rs 9/- each p m) till the end of June 1945 has been sanctioned by Government recently in their order No L 1848-9/M1 11-45-36 dated 8-9-1945

I am herewith enclosing a statement of head of cattle caught by this gang monthwar since June 1944 upto end of September 1945, for favour of kind perusal The gang will catch the stray cattle and impound them in the municipal pounds The revenue realised thereon will be taken into account in the Revenue Section

The amount so collected by the Revenue Section is under compilation and soon after it is ready, the same will be submitted for kind perusal

The cost on the reduced scale of the gang, (viz , 1 head maistry on Rs 15/- plus Rs 2/- and 5 gangmen on Rs 9/- each p m) will work out to Rs 53/- a month and it may also kindly be seen that on an average, about 200 to 220 head of cattle are caught and impounded every month

Calculating the realisations as per pound rules, the amount realised thereon will exceed the cost of maintenance of this gang

In the circumstances, I feel it may be necessary to continue the gang on the reduced scale as recommended by the Council
